

String Menu

High Performance \$46+ tax (includes standard labor)

Babolat RPM Blast	16g, 17g	Poly	Ideal for big hitters with heavier racquets seeking maximum control, durability, and spin.
Head Hawk	16g, 17g	Poly	Rewards long, fast strokes with exceptional precision. Great for players with heavy topspin.
Head Hawk Power	17g	Poly	Perfect option for players new to polyester strings. Offers great power without losing control.
Head Reflex MLT	16g, 17g	Multi	A solid multifilament that works well for players looking for comfort, power and touch.
Luxilon ALU Power	17g	Poly	Great option for intermediate-advanced players who want control, spin and durability
Luxilon ALU Power Rough	17g	Poly	Indented textural grooves on string surface provide excellent spin potential, flex, and durability.
Wilson Duo Power	17g/16g	Hybrid	A combination of spin, power, comfort and precision. (ALU Power + NXT)
Wilson NXT	16g, 17g	Multi	Superior power and comfort with impressive durability for a multifilament. Gut-like feel.
Yonex Rexis Speed	16L	Multi	Firm multi offering excellent pocketing and above average control without compromising comfort.

Performance \$38+tax (includes standard labor)

Babolat XALT	16g, 17g	Multi	Great for those wanting a durable control oriented string that is still arm friendly.
Head Lynx	16g, 17g	Poly	Ideal for players with long, fast strokes. Precision with increased elasticity and feel.
Head Velocity MLT	16g, 17g	Multi	For non string breakers who want a comfortable multi with above average control and spin-potential.
Luxilon Adrenaline	17g	Poly	This string offers a crisp feel while not lacking in durability and control. Great for baseline players.
Luxilon ALU Power Vibe	17g	Poly	For players looking for an arm friendly control polyester. Great comfort and dampening ability.
Solinco Hyper G	16g, 17g	Poly	This square shaped string has excellent spin potential with exceptional bite on the ball.
Solinco Tour Bite	16g, 17g	Poly	For players seeking more control and spin, but it also packs a punch for those who favor a heavy ball.
Wilson Sensation	16g, 17g	Multi	A comfortable playing string with a nice blend of feel & playability. Arm-friendly choice.
Wilson Spin Effect	17g/16g	Hybrid	For players seeking more spin but not looking to compromise on comfort. (Revolve + Sensation)
Yonex Poly Tour Drive	16L	Poly	Textured and low-friction coating allows for optimal spin potential in this string.

Value \$26+tax (includes standard labor)

Wilson Revolve	16g, 17g	Poly	Great option for heavy-spin seeking players. Offers great durability and tension maintenance.
Head Synthetic Gut	16g, 17g	Nylon	Great "starter string" for players who are new to the game or still developing string preferences. Varying color options available.
Racquet Inc Rainbow	16g	Nylon	
Wilson Synthetic Gut	16g	Nylon
